In view of the comments the Commission has received on the Draft Resolution E-3711 issued March 3, 2003 by the Energy Division, we are calling a workshop to discuss the extent and form of any consumer electronic billing.

We will focus on the electronic billing programs being proposed for residential and small commercial customer, and associated consumer protection measures. We will also ask for explanations of the current billing practices for direct access customers and core aggregators, and of any changes in those practices that are being considered by the public utility corporations.

Southern California Edison (Edison), Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southwest Gas (Southwest) should bring proposals for implementing electronic billing, for any consumer protection measures that may be necessary or useful, and for resolving differences they may have with the recommendations set forth in Draft Resolution E-3711. Other parties may also bring proposals.

This workshop is open to all parties. If parties other than PG&E, Edison, SDG&E, and Southwest plan to attend and make proposals, they should contact Maurice Monson of the Energy Division. Summary: On May 14, Paul Townsley, President of California-American Water Company (Cal-Am), met with Cmmr. Lynch and Cmmr. Kennedy in two separate meetings in San Francisco. At the meeting with Cmmr. Kennedy also present was Timothy Sullivan, advisor to Cmmr. Kennedy; and at the meeting with Cmmr. Lynch – Advisor to Cmmr. Lynch. Judith Almond, Vice President-Operations, Cal-Am, and Margaret Citizen, consultant with Nossaman, Guthner, Knox and Elliott, LLP, participated in both meetings. Townsley explained that the Commission is the most appropriate public entity to act as Lead Agency in the California Environmental Quality Act process for the Coastal Water Project (CWP). Townsley requested that the Commission approve Cal-Am's request for recovery of various expenses associated with implementation of the Coastal Water Plan. Townsley explained why these expenses should be recovered in current rates, and why the Company believes it is essential that it be authorized to recover the expenses necessary to conduct an extensive public outreach in connection with the CWP.

	I01-09-002	Order instituting investigation on the Commission's own motion to assess and revise the New Regulatory Framework for Pacific Bell and Verizon California Incorporated.

Summary: On May 13, 2003, Cynthia Marshall, Senior Vice President, Regulatory & Constituency Relations, Pacific Bell Telephone Company (SBC California) met with Cmmr. Wood in San Francisco. Also present were Jacqueline Reed, advisor to Cmmr. Wood, Yvette Hogue, Executive Director-Regulatory Proceedings, and Peter Hayes, Director-Regulatory, SBC California, and Susan Johnson, Vice President – Finance, SBC West. Written material (attached to the notice) was used. SBC California stated, with respect to I02-11-008, which was opened to investigate the impact upon service quality of workforce reductions SBC California announced in September 2002, that SBC California exceeded the standards for every GO 133-B measure. SBC California noted that the data confirms there is nothing left to investigate in this proceeding – the workforce reductions have not had an impact on quality of service. SBC California urged the Commission to conclude this proceeding. SBC California representatives stated further that should the Commission continue with the investigation, SBC identified some concerns with the April 10, 2003 scoping memo, which need to be addressed, in particular, that the timetable for delivery of data is not feasible.

5/16/03	A02-09-006	Wild Goose Storage Inc., for Review under Public Utilities Code Section 851 et seq., of the Transfer of its Indirect Control to EnCana Corporation, or, in the alternative, Request for Declaratory Order.
---------	------------	--

Summary: On May 14, 2003, Michael Day of Goodin, MacBride, Squeri, Ritchie & Day, counsel for Wild Goose Storage Inc. (Wild Goose), met with Cmmr. Kennedy in San Francisco. Also present were Lynne McGhee and Timothy Sullivan, advisors to Cmmr. Kennedy, and Philip H. Davies, Vice President and General Counsel of Wild Goose. Davies and Day discussed the proposed decision and the alternate and indicated that their review of the legal precedents substantially disagreed with the conclusion in the two decisions. Specifically, Davies and Day indicated that the two decisions relied upon in the PD and alternate were decided after the EnCana merger was final, while the case which held that a similar transaction was not subject to Section 854 was decided prior to the EnCana merger. In addition, Davies and Day suggested that such a restrictive interpretation of Section 854 is inconsistent with the regulatory compact

adopted by the Commission with regard to independent storage companies. Day and Davies indicated that there is no justification whatsoever for the substantial fine proposed in the alternate, that Wild Goose has, as the decisions admit, sought to fully and timely comply with reporting and disclosure requirements, and, further, that Wild Goose had previously filed a Section 854 application when the shares of Wild Goose were directly transferred to another entity, thus disproving any intent to conceal such transactions from the Commission.
